

### Dr. Julian Campbell

Dr. Campbell is a graduate of the Medical University of South Carolina in Charleston, where he completed his Doctorate of Dental

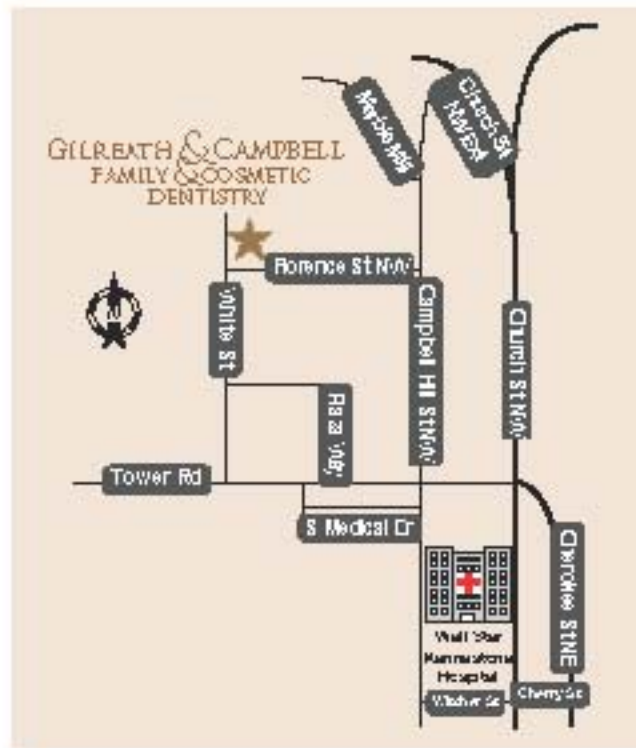

Medicine with honors. He is committed to keeping abreast of modern techniques and dental technology, and has attended advanced training in endodontics (root canals) at the world-renowned Las Vegas Institute for Advanced Dental Studies. Dr. Campbell is an advocate of preventive care and total wellness through educating his community about the relationship between dental conditions and overall health. He is a member of the Georgia Dental Association, the American Dental Association, and the Northwestern District Dental Society.

### Dr. Paul Gilreath III

Dr. Gilreath III has practiced dentistry in Marietta for 40 years. He graduated from Emory Dental School in 1960, after which he served as a

military dentist in the U.S. Air Force for two years. During his military career, Dr. Gilreath III gained extensive experience in full mouth reconstructive dentistry, experience which later became the center of his private practice. Dr. Gilreath III actively participates in ongoing continuing dental education through his professional memberships in the American Dental Association and the Georgia Dental Association.

We are located in the medical community near Kennestone Hospital in Marietta. Our office is directly behind Marietta Dermatology.

*From I-75: go to exit 267B (Canton Road/Highway 5 spur) and continue to 2nd traffic light and turn right onto Tower Road. From Tower Road, turn right onto White Street. We are approximately 2/10 of a mile on the corner of White Street and Florence Street NW.*

## WELCOME TO OUR PRACTICE

At Gilreath and Campbell, Our Heritage is built on a tradition of providing comprehensive dental care for the entire family.

Our Goal is for you to keep your teeth for a lifetime of comfort, function, health and esthetics.

We offer a full range of services for both the young and young at heart. We begin with a thorough examination which includes digital imaging and detailed analysis of the teeth, gums and jaw joints. Our Doctors will then consult with you to develop a plan to restore and preserve your oral health.

## OUR FACILITY

Our Philosophy of Care is based on offering comprehensive dentistry in a compassionate and friendly environment. Our practice was designed and built specifically to integrate these principles with digital dental technologies in a comfortable, home-like setting.

## OUR SERVICES INCLUDE:

- Cosmetic Dentistry -  
Lumineer™ Veneers, Porcelain Crowns & ZOOM!® Power Whitening
- Restorative Dentistry -  
Crowns, Root Canals, Fillings
- Replacement Dentistry -  
Bridges, Dental Implants, Partial and Complete Dentures
- Preventive Services -  
Dental Cleanings, Fluoride Treatments, Sealants
- Non-Surgical Periodontal (Gum) Therapy
- Silent Nite® Snore Prevention Appliances
- TMJ/TMD Therapy and NTI® Nightguards
- Tooth Extractions
- Pediatric Dentistry beginning at age 3
- Invisalign® Orthodontics

## RELAX...

Each of our treatment rooms is equipped with stereo headphones and television for your comfort.

## CEREC® SINGLE-VISIT CROWNS

Our practice features the CEREC® CAD-CAM restorative system. Using optical impressions and computer-aided design and manufacturing technology, our doctors are able to design and place a natural-looking ceramic permanent restoration in one appointment.

## OTHER FEATURED TECHNOLOGIES:

- Extraoral & Intraoral Digital Xrays
- Intraoral Cameras & Digital Photography
- Computerized Charting & Digital Imaging
